

protect your Investment

The extra measure of protection when a credentialed company installs an Integrity Roof System™

SURESTART™ PLUS FOR HOMEOWNERS

SureStart Plus Protection for individual homeowners who own and use the property as their residence where the shingles are installed. (Excludes condominiums, homeowners associations, etc.; refer to CertainTeed’s limited warranty for details.)

All CertainTeed shingles carry standard SureStart protection which fully covers your shingles in the event of a manufacturing defect during the early years following installation. Once the SureStart period ends, typically after 10 years, you are covered for shingles only and at a reduced rate as the roof ages.

When a CertainTeed Integrity Roof System™ is installed, your CertainTeed ShingleMaster™ is exclusively authorized to offer you two levels of SureStart Plus, which takes traditional SureStart protection and extends coverage for up to 50 years depending on the level of protection you choose. That means, in the event of a manufacturing defect, you are fully covered.

Lifetime Limited Warranty Shingles	3-STAR Protection	4-STAR Protection
Coverage	20 years	50 years*
Materials & Labor	✓	✓
Tear-off	✓	✓
Disposal		✓

NOTE: XT™25 shingles carry 10 years with 3-STAR, and 20 years with 4-STAR Coverage, including the features as indicated above.

Fully transferable for 10 years with 3-STAR Coverage, and 12 years with 4-STAR Coverage.

*Applies to single-family detached houses. Duration for all other types of structures is limited to 25 years.

Flat Roof Sections: If a CertainTeed Flintlastic® self-adhered roof system is part of the job, up to 10 squares will be covered for 12, 15 or 20 years depending upon the specific system installed.

- Flintlastic SA 2-ply system (nailbase and cap sheet) for 12 years
- Flintlastic SA 3-ply system (nailbase, plybase and cap sheet) for 15 years
- Flintlastic SA 3-ply system (nailbase, midply and cap sheet) for 20 years

Refer to the Commercial Systems Specifications Manual for all other Flintlastic systems.

See CertainTeed’s Asphalt Shingle Products Limited Warranty for complete details, conditions, limitations and exclusions. For a copy, go to www.certainteed.com or call 800-782-8777.

Integrity Roof System™

A COMPLETE APPROACH TO LONG-LASTING BEAUTY AND PERFORMANCE

With as much care as you take in selecting the right contractor, choosing the right roof system is equally as important. A CertainTeed Integrity Roof System combines key elements that help ensure you have a well-built roof for long-lasting performance.

It all starts with CertainTeed's broad line of shingles, featuring brilliant color blends, dramatic styles and shadow lines, and the strongest warranties in the industry. The right shingle can mean the difference between an average, everyday look or a beautiful roof that's the talk of the neighborhood.

Shingles are just the beginning - to keep your new roof performing and looking great for years to come it takes a complete CertainTeed Integrity Roof System approach

1. Waterproofing Underlayment

The first step in your defense against the elements. Self-adhering underlayment is installed at vulnerable areas of your roof to help prevent leaks from wind-driven rain and ice dams.

2. Water-Resistant Underlayment

Provides a protective layer over the roof deck and acts as a secondary barrier against leaks.

3. Starter Shingles

Starter Shingles are the first course of shingles that are installed and designed to work in tandem with the roof shingles above for optimal shingle sealing and performance.

4. Shingles

Choose from a variety of Good-Better-Best styles to complement any roof design and fit your budget.

5. Hip & Ridge Caps

Available in numerous profiles, these accessories are used on the roof's hip and ridge lines for a distinctive finishing touch to your new roof.

6. Ventilation

A roof that breathes is shown to perform better and last longer. Ridge Vents, in combination with Intake Vents, allow air to flow on the underside of your roof deck, keeping the attic cooler in the summer and drier in the winter.
